

Match Report – Sunday 6th February
Girls Under 10s v Guildford and Wimbledon
Played 10, Won 7, Drew 2, Lost 1, For 23, Against 4

Another great tournament for the u10 girls. We fielded 2 teams this time and were outnumbered by burgundy as with the wonder of chance and planning, the distinguishing feature between Guildford and Wimbledon is that Guildford have stripy socks-which weren't very obvious on such a blustery day!

Anyway, the girls did themselves proud, I forget which team was team A and which one team 1 but both teams put in some wonderful performances. The 2 Woking teams were fairly evenly matched and were drawn against each other in the first game which ended in a 1 all draw. Apart from scoring against each other(!) only one other team put any goals past them.

It was lovely to watch some great team play. There were some lovely skills on show but also great passing to get the ball moving around the pitch and also to get around the defence. It's good to see how the girls are developing their skills and using the space.

Also it was good to have the support of so many mums, dads, brothers & sisters braving the windswept pitches of Guildford. Thanks for all your support for the girls but especial thanks to Ashley and Jon for so wonderfully coaching and encouraging the girls to produce such good results and have fun in the process and to Chris Betts who very kindly, consistently and fairly umpired.

Congratulations to all the goal scorers but also to everyone in the teams as there are no goal scorers without the rest of the team keeping up the pressure and keeping the opposition out. Great play all round. Well done girls.
