A bit of spring sunshine this morning to welcome another string of good results for the Woking u10 girls.

Just as well we started with Woking vs Woking as the girls seemed to be struggling to wake themselves up for this mid-day start, surely they can't have been clubbing all night already!

Vs Teddington 1: 3-2 (Polyanna, Saara, Alyssa)

Both teams seemed to struggle to work as a team in the first match after which I can say that team 1 still struggled a little. Good individual play by each of the girls and determination enabled them to win through in the end. Team A seemed to pull it together quicker and were able to make the most of their game against the less experienced of the two Teddington sides for some practice at putting the ball in the back of the goal.

Our girls have done us proud to come out on top against both the Teddington teams; separated themselves only by goal difference.

In summary: played 6, won 4, drew 2. Goals for 10, against 2.

Many thanks again to Ashley Carter and Jon Rees for coaching, lots of smiles again from the girls.

Thanks also to Chris Betts and Lyn Kirby for umpiring & working out how many penalty corners seemed reasonable and coping with my varying levels of whistle blowing volume to note the beginning & ends of the matches. (& helping out the teams with the intricacies of the short corner!) & to Alex Carter for umpire understudying.

Everyone's help and encouragement of the girls is much appreciated.
