

Match Report – Sunday 6th March
Girls Under 12 League
Woking Whirlwinds 3 London Wayfarers 0

In a sun blessed but chilly Goldsworth Park Whirlwinds put on a treat for the supporting hordes in their last league game of the season and ensured they stayed off the bottom with a respectable 7 points from the season and 10 goals. Not only that but ensured a clean sweep for the Woking U12 girls this weekend!

In a repeated score line of their away tie, Whirlwinds maintained their habit of scoring in every third. Apart from occasional lapses, Whirlwinds played the game in Wayfarers half, and dominated possession which they used well and had plenty of short corner practice, which alas resulted in no further success from the 3 Macy Specials attempted.

The first goal was a sublime move where Hannah always industrious passed it to Catie, moonlighting on the wing today, around the halfway line who ran down the right to then move it on sweetly to Tabitha who drove onward supplying a firm pass to Issy C ideally placed around the penalty spot. Whilst the crowds held their breathes Issy cool as anything swept the ball directly into the left hand corner, breaking her duck for the season!

The second was a short corner where a smooth pass from Paige (consistently good throughout) resulted in a good stop and strong hit from Millie (not for the first time), which put the defence in turmoil, despite a good save from an excellent and busy keeper, but Paige was on hand to tidy up with some quick thinking and action, her first for the season!

The third came from a scramble in the D after Whirlwinds maintained their strong pressure, after much ping pong and half attempts, Millie put a strong push on the ball clean through to the left hand corner.

A testament to the play from all the girls and especially the strong defence of Helena and Emily A (late stand in) was that skipper for the day Marianne only managed to touch the ball twice, despatching the ball well on both occasions. Midfield Hannah, Leonie (played bravely despite ankle injury early on) and Paige put in solid work throughout and made many chances for those further up to shine, whilst inners Tabitha (at the heart of things as always and Amy (always in space and position) linked up well with Millie (running riot upfront), Catie (always hunting for the ball) and Issy C (best game of season!) to ensure we went wide and forward!

We move on to our programme of friendlies with much more confidence after our continued progress together.

Many thanks to all for your support with goal moving and catering, it was a nice late lunch for the Macdonalds at least!
