

**Match Report - Sunday 7<sup>th</sup> March**

**Girls Under 14 Home Counties League**

**Woking 4 Guildford 1**

Despite fielding a slightly weaker team than of late, Woking still managed to polish off Guildford (4-1) after goals from Charlotte Daly, Ella Jones, Dominique Yeo and Olivia Camsey. Perhaps not as exhilarating as the Sunbury game but Guildford did give us a run for our money at various stages. However, as loyal readers will already know, when we need to score Woking excel in front of goal. We have scored no less than 27 goals this season (an average of 4.5 per game), with the honours spread across 8 players.

If anything, Guildford got off to a better start today but were unable to make the pressure count as Woking moved quietly ahead and then added a second before the half time break. After the third goal went in we sat back a bit and Guildford scored off a deflection to light the touch paper. Shots from Woking rained upon the Guildford goal for the last 10 minutes and they were lucky that we only put a further one across the line...it could so easily have been 5. Overall then, it was another great team effort today and whilst it is not always possible to mention everyone by name, the excellent performances by Charlotte D, Stephanie and Hannah are worthy of note. Our thanks also to Ella and Katie who joined us at short notice and Chloe and Alice for Umpiring.

...And so our qualifying campaign is complete. We came top of Division A having won 5 games and drawn just one. We very much look forward to the quarter finals on 18th April and with any luck we will make it to the Semi/Finals day, which is on our home turf on 16th May 2010.
