

Match Report - Sunday 15th November

Girls Under 12 Development League

Woking 5 Purley Walcountians 0

Woking 8 Purley Walcountians 0

Whilst Woking's u16 girls were heading towards the last 32 of the National Cup competition on the near pitch. Woking's U12 girls were no less impressive against Purley on the far pitch.

Unfortunately Purley were only able to field one side instead of the expected two - but Woking played against them with two separate teams.

In the first match Woking played some excellent hockey with Lucy Wolstencroft and Emma Hassanein looking particularly impressive at the back. Alice Smith, Amy Feakes and Amy Cribb were very combative in midfield winning a lot of the ball whilst Hazel Ferguson and Marriane Haddad were unstoppable up front with Hazel putting away four chances and Marriane adding a fifth. With a couple of goals disallowed the scoreline could have been even greater.

The second match was no less impressive with Lucie Shortland and Brigitta Scorovich dominating the centre of the pitch. Megan Hunt and Harriet Sharp were rarely threatened at the back but both put in composed performances, playing some neat passing hockey whilst Jemima Padua and Ellie Moore scored two goals apiece and Abi Lord put away four well taken chances to ensure an 8-0 final scoreline,

The two Woking sides then played each other - but were very evenly matched with neither side managing to break the deadlock. Watch out in the National Cup in a few more years time!!!
