

Match Report - Sunday 15th November

Girls Under 14 Development League

Richmond 6 Woking 0

The young Woking Wagtails put on a fantastic performance today and despite losing to Richmond 0-6 showed great promise and potential for the future. The Richmond girls were mostly 13 years old, compared to the 11/12 years of the Woking team.

Anna, Danielle, Katie, Pippa and Sophie, all had turns at the defensive role and throughout the game made some great tackles, not easy when you are facing a strong opposition. Rhiannon in goal was her normal calm self and made many crucial saves.

The midfield of Katie, Megan and Zoe worked tirelessly, continually striving to move the ball up the pitch. While the forwards, Ella, Megan and Robyn had some great attacking runs and narrowly missed out on scoring on several occasions.

It was a great game, played in good spirit by both teams, but watch out Richmond next year because we will be back another year older and stronger!

A big thank you to all the parents who survived the stressful journey, and for the great support on the side.
