

Mercian Premier Match Won 8-0**Scorers Cornwell 3 Way 2 Stuart 2 Goss 1**

Another good win on Sunday against one of the 2 teams who beat us last season. Although dominating the first half we found the Teddington keeper in inspired form and spent too much time attacking the top of the circle and came into the break with a 2 – 0 lead. Eddie Way popped home a short and Matthew Cornwell finished off sublimely with the neatest of deflections.

In the second period we kept our width, played the ball wide, were more patient in our build up and scored 6 goals in a purple patch of 20 minutes. We will be hard pressed to play a better 20 minutes all season. Matthew completed his hat trick with another 2 excellent goals, his third a super team effort and a cracking finish, Eddie added his second, Oli Stuart 2 poachers goals and Aaron Goss a tap in from a metre showing the benefit of being in the right place at the right time and taking on board the training ground routines.

Although not over worked the defence protected the clean sheet and prevented Teddington from having any shots at all. Sterner tests to come but a second win in the Mercian league.”

Wessex Development A v Havant Lost 13-1**Scorer Bohling**

Havant started the game with some fast free flowing hockey & Woking quickly found themselves 2-0 down. Undeterred Woking pulled one back when Jamie Bohling seized onto a loose ball & with dogged determination & tenacity rounded both the defender & Gk to put the ball in the back of the net. Unfortunately conceding a goal seemed to spur Havant & they moved up another level and by half time Woking found themselves 8-0 down. Woking went into the second half with some fighting spirit & to their credit did not let their heads drop. Ed Chapman had an outstanding game & Ben MCM made 2 crucial saves on the goal line. James Fitton should be very pleased with his performance in goal but at the end of the day Woking lost to a very well drilled & disciplined side.
