

Match Report - Sunday 21st February

Girls Under 14 Home Counties League

Woking 13 Staines 0

Today saw an outstanding demonstration of teamwork amongst the U14 Girls as they set about Staines. Unrelenting pressure from the off saw the goal tally move to 5 at half time and a further added 8 in the second half. The interplay and passing was superb as were the hit & rebound routines both in open & set play. Not a single short corner was conceded and in the end, poor old Charlotte Johnson (aka Charlie) making her debut in goal, felt honour bound to kick the ball at least once even though she didn't need to!

Sunbury, the previous league leaders, will be more of a test for us next week and the result of that game will probably decide the rankings for the year! But for the moment, let's bask in the glow of a great victory...and I will finish by naming the scorers - of which there were 5 - Charlotte Calnan (5); Charlotte Daly (3); Kirsty Lazer (Captain 2); Katie Jacks (2) and Lucy Poffley (1).
