

Match Report - Sunday 24th January

Boys Under 14 Development League

Amersham 0 Woking 6

Thank you to all the parents for ensuring the team arrived safely at the furthest away venue in our fixtures list and the most difficult to find !

Although a little ring rusty we found our hockey feet after 10 minutes and began to play some excellent hockey. Once we moved the ball around we began to find space albeit tending to try and attack through the middle rather than via the flanks. Slowly but surely we became more expansive and as a result created chances. The first goal came after 15 minutes with a great interchange of passes down the right ending up with Bobby Moore who slotted the ball home. Charlie Gilbert and Will Chapman added a goal apiece before half time, Matthew Hough in our goal not having to make a save.

The second period was a repeat of the first with Bas scoring 2 and Charlie one and a number of other chances going begging due to poor final passes and the loss of concentration at key moments. There were certainly sufficient opportunities to win the game by a greater margin. The team needs to remember we can play the ball backwards and build attacks slowly rather than push forward and so isolate players.

All in all, a good start to 2010 and some excellent performances with all 15 players playing their part in a comprehensive win.
