

**Match Report – Sunday 27<sup>th</sup> February 2011**

**Girls Under 14 Home Counties Girls League**

**Woking 8 Teddington Pinks 0**

Another great result today...understated as ever but a determined performance nevertheless. Teddington never gave us much time on the ball and it took a while to break free and get into our stride. However, once the dam was burst the goal tally went from a trickle to a flood. When will the opposition learn to watch Olivia hunting around on the left of goal? Let's hope never – as we enjoyed another hat trick from her! For me though, player of the day was Sophie Hubbard who worked tirelessly in midfield and rounded off a great performance with a lovely hit from the top of the D. Hope Zoe is back on her feet soon – knock to the knee – and hobbled off.

And with that victory today, we have qualified for the quarter finals of the Home Counties League. Only Wimbledon can beat us to the top slot (the top 2 qualify) and they will have to go something to do that!

Scorer's today were Brigitta Scorovich 1; Charlotte Daly 2; Sophie Hubbard 1; Georgia Cook-Radmore 1; and Olivia Camsey 3.
