

**Match Report - Sunday 28<sup>th</sup> February**

**Girls Under 14 Home Counties League**

**Woking 5 Sunbury 1**

A cracking game today between the league leaders, although the score line at 5-1 to Woking belied a highly competitive game and determination to the end by Sunbury. 10 minutes in saw one of the sweetest short corners of the season for Woking as Phoebe Bryant injected and Kirsty Lazer lined up for a forward smash to the backboard.

So far so good in the first half, but Sunbury came racing out in the second half and put Woking under repeated pressure, scoring a goal in the process.

It wasn't until the last 10 minutes that normal service was resumed by Woking during which time the girls slotted in a further 3 goals. Goals scorers today were by Kirsty Lazer (2), Sophie Snellen, Charlotte Calnan and Charlotte Daly. We would also like to thank Chris Burton-Brown who came forward to umpire at short notice and Claire for umpiring. And finally, it's just as well we have lots of substitutes as various ailments saw Lucy C, Charlotte D and Charlotte C all come off at various intervals for resuscitation!
