

Match Report – Sunday 30th January 2011
Girls Under 14 Home Counties Girls League
Richmond Wildcats 0 Woking 2

Injuries and sickness this week was not enough to put a stop to Woking's winning ways. Admittedly we had to work a bit harder this time but the girls rose to the occasion. It had an element of déjà vu from the Maidenhead semi-final last season as the Woking girls had most of the early possession but struggled to convert. In the end, Dominique scored both goals, the first whilst facing the wrong way and the second a classic drive from the top of D.

However, it was not all one way traffic, as Richmond kept pushing meaning that even Alex (in goal), who dragged herself from her sick bed to be with us, was called upon to stop the ball from time to time. I don't think she has been so busy in the goalmouth all season!

Well done everyone on a great team effort today...
