

Appendix 3- Information to Opposition Teams Travelling to WHC

Please find below some additional information with regards to playing at Woking given all the new and updated guidance.

This should be sent to the opposition in advance by email, so they know what to expect.

- The changing rooms and showers are not in use. Please arrange playing colours in advance and arrive changed for the game.
- You may only enter the clubhouse to use the toilet facilities. These are available with social distancing rules needing to be adhered to. Only 1 person is allowed in the toilet area at one time.
- Unless you are exempt we would ask that you wear a face covering when entering the club house to use the toilets
- You are responsible for submitting your own attendance registers to EH. Although we would encourage you to check-in using the NHS Covid-19 app.
- Please could players come with full water bottles, and if possible a spare
- Please can your players, coaches, umpires, and any spectators bring their own hand sanitiser for their personal use as well as their own face masks
- Due to the current government regulations our clubhouse will be closed and therefore we are unable to offer match teas
- We are operating a “one-way” system for access onto and from the pitch and we ask that you leave the pitch promptly as possible after the game.
- During your warm-up we request that you continue to observe the “rule of 6” and remain socially distanced in groups of no more than 6 people.
- Cool down/stretching should be done outside of the pitch and players must remain socially distanced in groups of no more than 6 people.
- Spectators are welcome but we respectfully request that they remain outside of the pitch area and adhere to the current social distancing guidelines and do not stand in groups of more than 6.

We assume that all players, officials, volunteers, and spectators have undergone a self-assessment for any Covid-19- symptoms prior to arrival at Woking HC in accordance with the EH Guidelines.

If you have any queries please contact the WHC COVID Officer, Tracy Wright on welfare@wokinghc.com
